Commissioner for Patents

The reply filed on 2/07/2007 is not fully responsive to the Non-Final Office Action of 9/27/2006 and has not been entered for the following reasons:

-The reply includes an amendment that attempts to present claims that are directed to a non-elected invention, see for example, the telephone election of small organic compounds on 9/19/2006 by Ray Miller as required in the Restriction Requirement (page 2).

Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
